PROVIDING FOR AND
PROTECTING YOUR FAMILY

WEDNESDAY, NOVEMBER 4

5:30 pm

Opportunities Unlimited-
Community Meeting Room
3439 Glen Oak Blvd

As one of the many families we are privileged to serve, you are invited to join us for a complimentary, educational presentation. Often times we hear the same concerns about how to care for your child that is with us at Opportunities Unlimited for their lifetime. We have partnered with the Goosmann Law Firm to provide more information to address this concern:

- Hear a comprehensive overview of the necessary “essentials” everyone should have within an estate plan.
- Understand the difference between Wills and Trusts.
- Learn more about Special Needs Trusts and how they can provide for your child without jeopardizing their applicable government benefits.
